

MORNING RUSH

- Uh-oh! Danbi's late...again! It took her forever to brush her teeth and now she's having trouble packing her bag and finding her school supplies!
- Will you help her find them?

- Danbi's missing items:
 - Crayons 
 - Backpack 
 - Notebook 
 - Papers 
 - Shoes 
 - Pencils 
 - Books 
 - Hats 
 - Socks 

- Hmm...Danbi promises she will be ready tomorrow, but she said that last night too.
- What else can you find for Danbi today?
- Have you ever been late to school?
